Hi Everett,

I could get some thoughts together by tomorrow for ESA and EJ – would probably have a better assessment by Thursday, but either is fine for me.

Thanks, Kimi

Subject: Dewey Burdock RTC Coordination

Hi all,

Last week we set tomorrow as our goal to develop a list of DB issues likely to need briefing up for management decision. However, we also discussed moving that deadline to Thursday or Friday, if necessary. I'm checking in to see how everyone is doing. Will everyone be ready to meet tomorrow, or should we push the meeting a couple of days to have more time to pull the list of issues together. Can you let me know your status, please.

Thanks,
Everett
